

MARINE TOILETS

The AquaT marine toilet has been designed to meet virtually every conceivable lavatory installation situation onboard. Priced competitively, the fine finish and well thought-through design of these toilets is remarkable.

Made from white vitreous porcelain, and with corrosion resistant parts throughout, the AquaT marine toilet, is quiet, robust and easy to clean. The standard electric model is equipped with a combined pump unit for disposal and flushing. It is easy to install and an economical choice of electrical toilet.

Silent Electric Comfort

80-47232-01 12v
80-47232-02 24v

The silent electric models are shipped with well-proven Aqua Jet diaphragm pumps in either 12V or 24V versions.

It is probably fair to think of most toilets as commonplace products, but look at the features and you are sure to see that the AquaT is far from ordinary.

Quiet, hygienic and reliable, the AquaT marine toilet is perfect for almost any marine toilet room.
